As the group authorized representative, I agree that in consideration for being provided a 10% off discount entry code:

- we will register a minimum of 5 entrants to the 2020 Novo Nordisk New Jersey Marathon & Half Marathon event races (Marathon, Half Marathon, Relay or 5K).
- we will control usage of this code to be limited to only true members of our group as described above.
- if we fail to register 5+ entries using the code we agree to be invoiced post-race and pay to Pacers Events LLC the amount of the discounts previously applied to the group entries.
- we have reviewed the 2020 NJM Charity/Group Incentive offers and understand the entries levels and timelines for tallying entries for additional group incentive awards.
- we will communicate to the event for group customer service only through the authorized group contact person.
- we acknowledge that group members need to apply the group entry discount code at the time of each registration to be offered the entry discount. Runners who neglect to apply the code can be added by NJM admin to the roster for tally purposes but will not be offered a retroactive discount.
- we acknowledge that issuance of the code indicates authorized execution of this agreement on behalf of Pacers Events LLC and the 2020 Novo Nordisk NJ Marathon.
